2. All Generations

Prompt: “Perfectly symetrical link logo, balanced, centered, deep colours, aesthetic”

Prompt: “Perfectly symetrical link logo, balanced, centered, deep colours, aesthetic, europe map”

Prompt: “minimalist, Europe, Link, People, Linked, hand, Fingers, Internationalization, union, share”

3. Conclusions

To conclude, DALL·E 2 is an impressive technology with the potential to revolutionize the art world. However, when it comes to logos, its current capabilities are somewhat limited. While it may suffice for generating ideas, it may not meet the standards required for professional use.
